President Obama is Now Backing You...

**Get Informed, Act Quickly and
Take Advantage of New Laws!!**

President Barack Obama signed into law the Making Home Affordable plan, which provides federal incentives for banks to help up to 9 million distressed homeowners renegotiate their loans. He also committed \$75 billion under his Home Affordable Refinance program, to help 4 to 5 million homeowners with loans owned or guaranteed by Fannie Mae or Freddie Mac prevent avoidable foreclosures.

If you currently own your home and can answer YES to any or all of the following questions, we have solutions for you!

- Are you underwater on your mortgage and feeling stressed out?
- Are you in an ARM that has adjusted or will adjust?
- Are you struggling to make your payments?
- Are you late?
- Do you pay high interest rates?
- Do you want to keep your home?

Banks are very specific about financial guidelines when determining if they will modify a loan. Many times, they won't even offer to help at all. This is where Solution Law Group steps in. We can help get your loan modified and possibly even reduce the principal balance on your mortgage. We have the knowledge and expertise to assist you in negotiating with your lender. We can help you achieve more than you think is possible!

Contact us today to see how our experienced attorneys can help lower your mortgage payments and save your home!
